*The World Famous...*

The CALGARY Fiddlers

Each Fiddler receives private classical training and fiddle coaching.

Since 1980, this highly skilled amateur youth group has entertained thousands throughout the world.

The group performs at numerous public and private functions at the Calgary Stampede, Spruce Meadows and other venues throughout Alberta.

Group fiddling lessons prepare the musicians for over 100 performances each year.

The Calgary Fiddlers frequently act as ambassadors for the governments of Alberta and Canada.

The Bow Valley Fiddlers program provides a preparatory curriculum for the dynamic Calgary Fiddlers.
